private training

She was standing topless, waiting for me. I didn't even have time to ask her name. I came up behind her, my arms circling her tall, narrow body. My hands found her slippery boobs. I pinched the nipples and felt her grind her ass against me. She felt my hard-on, first with the tight, tiny cheeks of her ass and later with her hand.

She and I were both naked. She stretched out on the chaise longue by the pool, and she turned face down, with those delectable buns facing me again. Handing me the slippery bottle of tanning oil, she told me to put it to good use.

I was shocked. I was thrilled, but I was shocked. I'm 15 years older than she is, and I hadn't felt skin like that pretty young girl's since I was in high school myself. I quickly ran my hand down her back to her buns. As I worked a slippery finger through the tight ring of her anus, she told me how she was home for the weekend from college, and how she'd had a crush on me all through high school. She then said that I was just old enough and rugged enough to fulfill her older-guy fantasy.

I greased up her sphincter and then thumbed my way inside. She was hot and tight, just like I'd hoped. I used one hand to probe her tight asshole and the other to slide a couple of bunched fingers in and out of her wet pussy.

"Mmmmm," she purred. "I'm ready, baby."

Private trainers get used to being hit on by our clients, especially the trophy-wife type. I get more than my share of pussy from bored wives with plastic tits. But I sure as hell wasn't expecting to get hit on by the daughter of one of the wealthiest male clients on my list!

She'd been tanning beside the pool while her father worked through the last five minutes of his low-impact workout. I put him on the bench and started him on crunches. The window in the weight room overlooked the pool. As I watched my client grunting up and down, with his elbows

pointed up between his knees, I also watched his daughter.

She dropped her towel and stretched out on a chaise longue. It had been a couple of years since

I'd seen her, and even though I should have known it, I couldn't recall her name. She looked younger than 18, but I remembered my client saying that his only daughter had just turned 19. All I knew was that this hot young thing had a body that had barely begun maturing, but she was displaying it in a way that made me think she had some real womanly needs. My dick swelled as I watched.

She saw me and smiled, wiggling her fingers in a wave. She then took a bottle of suntan oil from a bag and began spreading the oil over her arms and legs. She did her belly, too, smiling as she dipped

her fingers into the bottom of her suit, and then surprised me by taking off the top of her bikini.

I'd guess she barely had 34B breasts, and her puffy nipples showed that her boobs weren't finished growing yet. She oiled up those perfect tits as I watched, then began massaging the oil into her rapidly stiffening nipples. This time, when she wiggled her fingers, it was in a "Come here" motion, and she flashed me a "Fuck me" smile.

I had to jerk my gaze away as my client finished his workout. He told me that he was late

for a meeting, and that I should let myself out as he had to run. I cleaned up my stuff as my client quickly dressed. He yelled goodbye to his daughter, and I heard his car burn rubber as he left. I picked up my stuff and tried to follow my brain. I knew that I should leave by the front door.

But I followed my hard dick instead and went out the back, ending up beside the pool with this girl 15 years younger than me.

She was still squirming in anticipation as I fisted my dick and slicked it up with tanning oil. I put the head next to the winking, puckered rosebud of her asshole. I pushed just hard enough to pop through the tight ring and then left it to her to take me the rest of the way.

"Oooh, you're so big," she hissed, but she wasn't complaining; she pushed back harder so her anus swallowed more of my woody. "I've wanted this for so long. Ooh, god. Easy. Fuck me, but go easy, baby."

"Haven't you done this before?" I groaned.

"Nope," she giggled. "You're getting my anal cherry, Tyler."

She wriggled herself back over me, not stopping until I was balls-deep up her luscious young ass. I reached around, pinching those puffy nipples, rotating them as she humped her ass against my belly.

"Ooh, baby," she moaned. "Do you know that I used to dream about you doing this to me? Fuck me. Ooh, god. I've waited so long to feel your big dick up my ass like this. Ooh, do it to me. Fuck me up the ass, Tyler."

She was so tight that I almost couldn't finish my first stroke. Luckily, when I pulled back, her fantastically tight asshole turned buttery inside, clutching at my dick as I dragged it out. She panted and hissed, using every muscle in her teenaged body to clamp down on my driving dick.

She came twice before I sent a gusher of hot cum up her ass, and she came in the biggest climax of the afternoon when the searing juice splattered inside the gripping walls of her chute.

I would have loved to stay and party with that hot teenager, but I had other clients. Now, two days later, I want to call her up and see if she'd like another private session, but I still can't remember her damn name. I've got to think of some excuse

I put the head next to the winking, puckered rosebud of her asshole. I pushed just hard enough to pop through the tight ring and then left it to her to take me the rest of the way.

As I had her legs over my shoulders, my thrusting her in motion, there were knuckle cracklings from her legs, and joint cracklings from her legs, too.

to ask my client without him figuring out that I'm banging his daughter.

I've got to get another shot at her.

– Tyler, Minnesota

a born horn-dog

I'm a 35 year old male who is just a horn-dog at heart. Whenever there is available pussy around, I'm on it. That just happens to be the case with my 27 year old neighbor a few doors down the street. Actually, she is on the other side of the street and her husband parks exclusively in the driveway, so I know when he is home and when he's not.

We've been fucking for about two years now, her name is Anita, she's wild in bed and satisfies me to the bone. It started off one night when she allowed me in her room and she let me lock the door behind me. She had been wearing an opened nightgown with her big boobs exposed and only panties underneath.

As I talked to her, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way below, massaging her back then her waist. I gently put my hands on her full boobs caressing them, moulding them, and fondling her body.

By then she became putty in my hands & her body was mine. I had her legs over my shoulders as I seduced her the entire night. I tongued her simultaneously as I had my hands all over her body. As I had her legs over my shoulders, my thrusting her in motion, there were knuckle cracklings from her legs, and joint cracklings from her legs, too. As I fucked her, I had her stretched out in the wishbone, as I was

between her legs the whole night.

The bed rocked back and forth, pounding loud and her loud moanings were the only sounds in the house. She told me I had reopened her pussy hole very deep but good. I must have knocked her socks off when I had anal sex with her, because she became very quiet for moments. I put my dick in her ass, stuck it in I did. I stared at her as she had her mouth open and her eyes were rolling inside out, telling me

to leave it in there because it felt so good. I popped her anal cherry and till this day we still have sex as manic as that first day.

I love her and she loves our sex more and more. But every time we have anal sex, I stick my dick up her ass she's in paradise and lays there with her mouth open and her eyes rolled inside out but tends to doze off because my dick is inside her for hours. She tells me it feels so good, she can fall asleep during any intercourse. We have the best sex possible, she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

when you assume...

the old saying goes, “When you assume, you make an ASS of U and ME.” Sometimes that’s true. And sometimes assumptions can lead to very wrong conclusions. But sometimes it all works out for the best.

Take Lynda. I did, in fact—take Lynda, that is—and that’s what this story is all about: why and how I took her.

Lynda had come to fix my sink. When I called for a plumber, I expected some hairy guy with his butt-crack showing above his workpants. I got Lynda. I had never seen a woman plumber before, and I was kind of surprised, but it was certainly a pleasant surprise. I offered her a cup of coffee and talked to her while she worked on my plumbing.

Lynda had long, wavy hair, which she pulled back and fastened with a barrette before beginning work on the sink. Her figure was muscular, without being what I’d really call mannish. She had pillowy boobs and a tight, trim waist, as well as a high-riding, delectably wiggly rear. But her forearms were distinctly muscular, and the rest of her body was strong-looking as well.

In the light of her having a not-altogether-feminine body and her being in a predominantly male occupation, I naturally wondered if she was lesbian or at least bi like me. As I stood there in the kitchen talking to her while she worked, it came out that she knew my friend Enid, who’s 100% lesbian and always on the predatory hunt for fresh meat. I assumed Lynda had been one of her

conquests.

I decided she would be my conquest next. It had been a while since I’d had sex with another girl. My husband keeps me pretty satisfied sexually, and since I’m normally at work from 8:30 to 5 and home with my husband most evenings and weekends, I don’t even have many opportunities for bi fun. I had taken that day off from work, though, as a “personal day” to take care of a variety of matters, as well as to be home for the plumber, and now it looked like I was going to reap an unexpected benefit.

When Lynda finished with the sink, I decided to make my move. “It’s almost 12,” I said to her. “Can I offer you lunch?”

“Oh, I don’t want to put you out,” she said.

“You wouldn’t be putting me out... you’d be helping me out. I have some leftover chicken salad that I’d better use up, and some cole slaw. There’s enough for both of us. If I throw in a pickle on the side...?”

“Sold!” Lynda grinned.

I suggested we have our after-lunch coffee on the sofa, where we could sit more comfortably than at the kitchen table...and where, I figured, I could get my arm around Lynda and get things going before she had to go back to work. But when I put my arm around Lynda’s shoulder, I felt her tense up.

Wasn’t I her type, I wondered, or was she in a committed relationship, or was it merely that she was afraid to mess with a customer? Cautiously

I moved my face nearer to hers, then kissed her delicately on the ear.

There was no mistaking the shiver that coursed through her body at my touch. But her body language was still tight. The girl was sending mixed signals. I decided she wanted me but had a conflict. Could I break down her defenses? I brought my lips to hers and gave her a long but sweet kiss—no tongue—which she reciprocated hesitantly.

“What is it?” I finally asked. “Do you have a partner you’re being faithful to? Are you afraid of messing around with a customer? Talk to me.” As I said this, I reached for one boob and began stroking it. A groan issued from Lynda, followed by some very passionate breathing.

"No...I...I just never...."

I waited. Never what?

"I've always wondered...been curious about...about sex between girls...but I've never...I've never done it before."

She was a virgin to bi sex? Geeze! And here I'd assumed she was at least a fully committed bisexual if not an out-and-out lesbian. "But...you and Enid? I assumed you and she...?" "...were lovers?" she finished for me. "No. She's my neighbor. I kinda guessed she was a lesbian or something, but she never came right out and said so, and we certainly never did anything together." She giggled.

"You want to 'do something' with me?" As I asked, my fingertips trailed down from her rigid nipple tip, slowly crossing her taut torso, traversing her firmly muscled belly, down to her crotch. As I reached her vee, I stroked her pussy through the material of her workpants. Lynda shivered. "I...I...I want to...but..."

"No 'but's. Come on. Let's go." I stood, took her hand, and pulled her up.

Lynda followed me as I led her to my bedroom, to my bed, to my arms again. Standing beside the bed, I initiated a full-body embrace. As my boobs pressed against Lynda's pillowy breasts, her whole body stiffened, not in fear or resistance but in full-throated lust. She surged toward me, pressing her pussy needfully against mine, and began to grind.

"Let's get our clothes off," I said in a lust-thickened voice.

Naked, on the bed, we resumed our grinding. We lay on our sides, our bodies pressed together, each with one hand on the other's butt to pull each other tighter toward each of us. Lynda's pussy was awash in passion-juice. Her pubic thicket was drenched. Letting go of her, I scooted down to lap up the excess.

Eagerly I thrust my tongue into her cleft. Her taste was pungent, sharp. My tongue lapped up the

juice from her thighs, then slithered between her lust-swollen labia to explore the burning tissues of her slit. Lynda groaned, rolled onto her back, and spread open her legs. "How do I taste?" she asked, sounding a little nervous.

"Delicious. But you're about to find out for yourself...whenever you're ready to go down on me. Of course, every woman tastes a little different. Here, take a taste of yourself, first," I offered. I swiped two fingers through the rapidly accumulating fresh outpouring of her juices, then offered the fingers up to Lynda to sample.

"Mmmm. Spicy...but not bad," she said after taking a hesitant taste.

"Now taste me," I suggested, running two fingers from my other hand across my own pussy-valley and then offering them to Lynda to taste.

"Different...but good."

I went back to licking her out. My tongue swirled around her clit, tantalizing her, but just as she settled into a driving rhythm that was going to carry her rapidly toward climax, I broke off what I was doing and varied my attack. "Hey!" Lynda protested.

"You don't want it over before it's half started," I chided her. "I'm saving you from your own greed. I'm giving you a chance to enjoy this." And then I went back to lapping at her pussy, taking long licks up and down the grooves on either side of her clit. I was determined...and quicker than she was...and I managed to avoid licking her quivering come-button.

I did, however, reach up to one nipple and begin strumming the brown promontory. It stiffened as I caressed it, hardening into a very toughened nubbin of pure animal pleasure, and her pussy seemed to reverberate in response. Her pussy fluids flowed freely, coating my nose and lips and chin and cheeks. Her labia were swollen with excitement.

Her clit was engorged, further evidence of her excitement. I love responsive girls!

She was wriggling and gyrating in a desperate effort to get off, to get her clit positioned where I could do it the most good, to thrust her pussy

up into my face and try to get the satisfaction she so urgently needed. She may have been a novice at girl-to-girl sex, but she certainly wasn't shy about trying to get what she needed.

And when none of that got her what she wanted, she asked for it... begged, actually: "Please, please... get me off. Make me come. I can't stand it! I can't take any more. Get me off!" It was time to stop prolonging things and get down to giving her the satisfaction she needed. Well... almost time.

I did want to give her one more thrill she probably hadn't had yet. Pushing her thighs up in the air to get access to her rear, I tongued her asshole with a quick flick that sent such massive shudders through her that for a moment I thought she

was coming. Making my tongue as pointy as I could, I stabbed at her little pink-brown bunghole with quick flicks. Then I lavishly dragged my tongue back from her asshole toward her pussy again.

Lowering her legs, I worked my way up to her pussy. Slithering through her crack one last time, I zeroed in on her clit, now more swollen than ever, and flicked my tongue rapidly across it. I stayed focussed, remaining right on her clit, targeting the scarlet promontory as I listened to her gasps and moans grow more and more urgent.

And then she was wailing, “Yes! Yes! Yes! Yes!” Every “Yes” was louder and higher-pitched than the one before. She grabbed my head and held it, as if she were afraid I would divert my attentions again and try to prolong her agony even further. But I had no intentions of doing any such thing. Now was not the time to tease. Now was the time to satisfy.

And satisfy her I did. With one last wild thrust upward, she screeched and strained and remained arched upward as her body imploded in one hellaciously strong climax. She emitted a moaned wail of orgasm that was primitive and primal and came from somewhere deep within her.

“My god!” she exclaimed. “Where did that come from?!”

“From somewhere deep inside you...and there are more like that where that one came from. But it’s my turn...as soon as you’ve rested a bit. Do you feel like trying to eat your first pussy?”

I crawled up to lie alongside her and hold her and hug her and gentle her. She threw her arms around me enthusiastically. “Thank you!” she said. And then, in answer to my question, she said, “I owe you—big time!” and without even giving herself a chance to float down from her orgasmic high, she scrambled down the bed and positioned herself between my legs.

It was comical to feel her hesitant approach to my pussy. First her tongue jabbed into my slit once quickly and darted out again. Then she touched down a second time, holding her tongue in place but not moving it. Finally there was a tentative motion, then a little more movement, and then she was bumbling around, trying to find her way.

Where I had stayed deliberately off-target to prolong the experience for her, she seemed to be genuinely lost, trying to familiarize herself with the landscape of my clit. But after a little bit, she seemed to learn her way around. Emboldened, she began taking long, lavish licks that carried her from behind my clit, up across the tip, ending well in front of it. Now I was the one who was impatient.

Now I was the one who needed to come. Now I was the one who whimpered in need and mewled in hungry desire for the climax that would end this torturous heat. But Lynda had learned her lesson well. She slowed her tongue action, deliberately staving off my satisfaction. “Ah-ah-ah!” she chastised me, still dragging the flat of her tongue across my quivering clit excruciatingly slowly. Even in my agony, I chuckled at her giving me a taste of my own medicine.

Lynda reached up to one of my breasts, thumbing my nipple till it stood stiff and tall, the areola wrinkling all around it. The heightened sensory input speeded me nearer the edge of climax, and my body motions shifted perceptibly into those urgent, hard-driving thrusts that propel you over the edge.

Lynda recognized the shift in rhythm and read my body language. Knowing I was about to climax with or without her consent, she made it better for me by increasing her speed, and concentrating her tonguing into quick, short licks right on my little come-button...or at least, as well as she could do at staying on target. It was definitely a moving target at that point!

With a long, drawn-out groan, I tumbled over the precipice and into ecstasy. She stayed with me, tonguing me more slowly as I crested and floated down, till I was too sensitive to take any more. Then she worked her way back up the bed to lie beside

me. This time it was she who enfolded me in her arms and held me and gentled me as I came down from my orgasmic high. When my heartbeat and breathing had returned to normal, though I still felt deliciously floaty, I asked her, “Want more?”

“Not today. I need to get back to work.”

Not today. That certainly held promise for the future.

“So, how did you like your first try at girl-to-girl sex?”

“Enough to become addicted.” She chuckled.

Something tells me I’ll be taking more “personal days” off from work. And what I’ll use them for certainly will be personal!
